Volunteer Opportunities

Volunteer Opportunities

If you would like to get more involved with our club there are many ways to do so. We invite you to participate in committees and activities such as Board of Directors, Club Promotion, Newsletter Editor, Advertising, Shows, Community Events, Classes, Presentations, Demos, Membership Drive, etc.

We encourage members to be active to ensure our Club continues to grow and serve its members. Carvers do great work and it really helps if we share our expertise and art with others.

Your participation, in any way, will be appreciated by club members and will help our club immensely.

Member's Classes

Member Hosted Classes

Some of our members conduct very informative and fun woodcarving classes. Please support our members and take classes. There is always some technique or process that can be learned regardless of carving experience. Take a class.

Member Terry Moss Conducting a Class

Terry Moss hosts classes at his home studio and all who attend receive advanced instruction and have a lot of fun and a great experience.

Everett Carter teaches a class every Monday evening at Center 50+. Everett's classes are designed for beginners, but all levels of experience are welcome.

Thank you to all club members who donated ornaments this year. Center 50+ is very happy to have your ornaments that help support the Center. Your ornaments are bringing smiles to the faces of all who see them. The ornaments are on display in the lobby of Center 50+.

Thank you to all who donated ornaments to both Center 50+ and to our Annual Ornament Sale.

Thank You!

Capitol Woodcarvers Annual Show

2026 Capitol Woodcarvers Show

March 28-29

Capitol Woodcarvers Art Show and Sale

Center 50+ 2615 Portland Rd. NE

10-5 Saturday, 10-3 Sunday

The 2026 Capitol Woodcarving Show planning is progressing well thanks to Karen Bennett and the show committee. There is a lot that needs to happen prior to and during the show. Venue, cost, classes, demos, auction, raffle, floor layout, contests, meals, vendors, advertising, tables and supplies, registration, and everything else required to make this show a success has been or is being addressed.

Let's make the 2026 Show great. Your participation would be much appreciated and would help make the show a success. Sign up for a table and show off your carvings. Other carvers and the public would really like to see your creations.

There is a Show Committee meeting in the classroom at KAA January 15 at 12:00PM.

Coastal Carvers Show

Coastal Carvers Show 2026

Open Carving Sessions

Plan on attending Open Carving. Participants learn from each other while having a good time carving and socializing. Ducks, wood spirits, caricatures, birds, chip carving, relief carving, woodburning, painting, staining, mounting, and all things wood-carving related are happening at these sessions.

These sessions are both fun and educational. Plan on attending the first and third Thursdays at KAA and every Friday at Center 50+.
