## **President's Message**

Well, it's time for our annual show. Hope everyone is as excited as I am. The show committee, chaired by Denis Miller, has organized a wonderful event. Speaking of the committee, we really need someone to step up as chairman for next year. Information about organizing the event is available and there is an experienced committee willing to help.

We all have busy lives and other obligations, but we all want Capitol Woodcarvers to flourish. To do so, we need volunteers to take part. We have depended on the same people to do all the work for too long. Angie Bell and I realized this and are doing our part. Please consider one of our club positions. You would not be in it by yourself. We help each other and have a wealth of experience. Besides a chairman for the annual show, we need someone willing to take over the newsletter and someone to facilitate the Facebook page.

Club T-shirts will be available for purchase at the show. We have small to 4X available. They are cotton, so expect possible shrinkage.

A big thank you to Terry Moss for his presentation at our February meeting. The demonstration on carving ears was very informative and interesting.

See you at the show.

Sarah Lynch

## Club Supporters

A special shoutout to Center 50+ in Salem. Center 50+ has supported Capitol Woodcarvers for many years hosting classes, shows, open carving sessions, and ornament sales.

Our club would not be as popular and inviting if it were not for Center 50+ and all their staff who have worked to support us and our unique hobby/art.

Even if you are not a carver, please stop by Center 50+, you'll be amazed at all they have to offer including crafts, lunch, lapidary, woodshop, workout gym, yoga, Tai Chi, line dancing, classes, and much more.

Thank you to Marilyn and all the dedicated staff/volunteers at Center 50+

Please visit our supporter's web sites and thank them for their support
