## President's Message

Hello Fellow Carvers!

I am sorry to report that we have lost another long time carver since our last meeting. **Linda Schmitt** passed away in early May. We wish her family the best during this difficult time of mourning.

I also want to let our members know that **Fritz Krussow** had a heart attack the first week in May. Follow-up with doctors has everyone optimistic he will be back carving soon.

Since this month has 5 Tuesday's **our meeting for this month is May 31<sup>st</sup>**, the day after Memorial Day. Be sure to mark your calendars!

There has been a lot going on in May. May Day, Mother's Day, and Memorial Day. I hope you have enjoyed the opportunity to share some time with family and friends. Don't forget that Memorial Day weekend is opening day for stream fishing in Oregon as well. Our family always enjoys this weekend of camping, fishing, and renewing time with family and friends, and enjoying the outdoors.

On pages of this newsletter you will find some pictures of some of the **workshop tools that Bill Grater's wife is selling**. If you are interested in any of these tools please contact me or Everett Koontz. We are hopeful that we can make just one trip to her house to pick up the tools. We hope those that purchase the tools will assist in picking them up.

The following people are **Raffle Ticket winners** from our April Show, but were not available at the time we drew the tickets. Please get in touch with me or plan on attending the May meeting to pick up your raffle prize. If you know the person who is the winner and could pick the raffle prize up for them we would appreciate it. Any prizes not

picked up at the May meeting will be returned to the donors or held for next year's raffle. Thank you for your assistance in getting these delivered.

**Olsen** – Tiki carving & golf club

**Tim Flora** – 3 pieces of cottonwood bark

**James McCaston** – 3 wind turners

**Debby Barnald** – carved blue dog
