President's Message

Hello Capitol Woodcarvers,

This may sound like a broken record, but wow! What a busy time to be a woodcarver! What a pleasure it was to spend some time with many of you at the Oregon State Fair. I had such a good time and need to express a big thanks to Jack Dalton and Everett Koontz for organizing that entire event. It was great exposure for our club and the beautiful work that you all do. Listening to the people in attendance as they engaged the group in conversation left me feeling inspired. Knowing that many of them went home to do more research, buy their first knife or sharpen an old one, makes me feel good for this artistry that we all adore.

The State Fair was immediately followed by the Rendezvous. Like you, I had a great time! So many great classes and so many wonderful people in attendance. It was a terrific event as always. I look forward to the event every year and am already making plans for next time.

Last Saturday afternoon I attended the reception at the Keizer Art Association. I didn't count them all but there were at least 50 to 60 different carvings on display. It was a good representation of the Capitol Woodcarvers and some of the amazing artwork from our membership. A big congratulations goes out to our blue-ribbon award winners. Barb Fromherz won the pyrography division; Mary Davis won the realistic division and John Cereghino took first place in the caricature division. Don Fromherz entered a Native

American style flute in the “other” division and won a blue ribbon as well. Then to make it trifecta for the Fromherz family, Barb Fromherz won “Best of Show” for her Basket of Illusion. It really is a beautiful piece that must be seen. The show runs through the month of October, and I would encourage you to check it out. Bob Curtis deserves a big round of applause for putting that event together and helping once gain to showcase our club. Thank you Bob!

Just around the corner we have the Empty Bowls event, and the Ornament sale. Your help in carving spoons and Christmas Ornaments is so very much appreciated. Please bring your contributions to the October 25th club meeting. Denis Miller will be collecting spoons while Ann Engelson will be receiving the ornaments. This is a great opportunity to give back to our community and contribute to the financial health of our club through the art of woodcarving. It doesn't get much better than that.

There is so much more to come. Keep making chips and I'll look forward to seeing you at a woodcarving event very soon.

Terry Moss, Club President

Plan on Attending an Upcoming Meeting

Capitol Woodcarvers members always make this a good event for our club. Visitors to our booth are amazed at the quality of the ornaments on display.

If you have not already done so, please let Ann know what timeslot(s) you would like to sit at the booth. This is a very rewarding and enjoyable experience.

Your participation, as an ornament carver and/or as a booth sitter is greatly appreciated. The club thanks you.

CCA

Caricature Carvers of America

CAA recently hosted the first ever All Caricature Wood Carving event in the country. This event was held in picturesque Colorado Springs at the foot of Pikes Peak.

Capitol Woodcarvers President Terry Moss attended the event and participated in classes and other activities. Terry said it was a wonderful experience and he learned a lot.

Not only did Terry learn a lot, he was also recognized for his great carving ability. Terry won 2nd Place at the CCA Show for his carving of "Bad Santa".

Congratulations Terry.
